Secure Comprehensive Services and Support

SeaGen Secure is a comprehensive reimbursement program for ADCETRIS® (brentuximab vedotin) providing personalized services for your patients.

FOR YOUR PRACTICE

SeaGen Secure case managers are there to answer questions you may have about ADCETRIS® (brentuximab vedotin) for injection reimbursement.

SeaGen Secure services include:

- Benefits Investigation (BI)
- Denied or underpaid claims assistance
- Patient out-of-pocket costs†
- Reimbursement support
- Assistance for uninsured and underinsured patients

Call SeaGen Secure at 855-4SECURE (855-473-2873) to speak with a case manager. A case manager can provide you with information on the programs offered through SeaGen Secure and assist with the enrollment process. Online enrollment is available at SeaGenSecure.com.

FOR YOUR PATIENTS* AND CAREGIVERS

SeaGen Secure connects patients and caregivers with an experienced Oncology Nurse Advocate. The Oncology Nurse Advocate will provide support to help address patient concerns while they are on treatment and will relay important patient information to your practice.

The Oncology Nurse Advocate will:

- Work with your patient to identify concerns before they become obstacles and offer solutions to help address specific needs
- Provide ongoing support throughout the treatment experience
- Offer referrals to advocacy organizations for emotional support, transportation assistance, peer-to-peer connection programs, and resources for balancing work and cancer

Your patients will speak with the same Oncology Nurse Advocate every time they call SeaGen Secure. And, there's never a cost for any of the services provided by SeaGen Secure.

An Oncology Nurse Advocate is available Monday through Friday, 11 AM-8 PM ET.

* Patients are always encouraged to speak with their Healthcare Providers about all medical issues or concerns. SeaGen Secure and the Oncology Nurse Advocate are not intended to provide medical advice or replace medical advice from the patient's healthcare provider.
