

# Seagen Secure may be able to support your access to Seagen therapies

---

## Secure support with personalized resources

Seagen Secure is a dynamic and comprehensive suite of solutions that helps patients access their prescribed Seagen therapies.

## Seagen Secure® may be able to help if you:

**Don't have**  
any health  
insurance

**Aren't sure**  
if your insurance will  
cover your therapy

**Need assistance**  
paying patient  
out-of-pocket costs\*

\*Seagen Secure programs available for qualifying patients.

Seagen does not guarantee that enrollment will result in coverage, reimbursement, or financial support.

## Seagen Secure is a comprehensive suite of solutions to help you access Seagen therapies

### Benefits Investigation

You can receive benefits investigation assistance to determine insurance coverage.

### Prior Authorization Support

Your Seagen Secure Case Manager can provide prior authorization forms and information to your physician's office to support your doctor's prior authorization request.

### Assistance With Appeals

If a prior authorization is denied, your Seagen Secure Case Manager can help identify documentation needed to complete the appeal. Seagen Secure can also track the status of the appeal after it is submitted.

### Commercial Out-of-Pocket Assistance Program

If you have commercial prescription insurance and meet other eligibility criteria, you may receive assistance with your out-of-pocket prescription costs.

### Patient Assistance Program

The Patient Assistance Program provides oncology therapy for up to 1 year at no cost to patients who meet program eligibility requirements.

## Seagen Secure® starts with dedicated support from a Case Manager.

### Secure access to treatment

If you have questions **about treatment costs**, your Case Manager will:

- Confirm your coverage for your prescribed Seagen therapy
- Provide you with information on your out-of-pocket costs associated with your prescribed treatment
- Help you access financial support for your treatment if you cannot afford it

---

### You can talk to a Case Manager about financial and access support.

Your Case Manager will work with you to identify which resources would be most helpful.

Call **855-4SECURE (855-473-2873)** to speak to your dedicated Case Manager.

Information provided by a Case Manager is not intended to be a substitute for your healthcare provider. Discuss any questions you may have about your disease and your treatment with your healthcare team.

Seagen does not guarantee that enrollment will result in coverage and/or reimbursement.
